INNOVATIVE EUROPEAN MASTER in VACCINOLOGY

APPLICATION DEADLINE: JANUARY 20, 2022 (23:59 UTC+1).

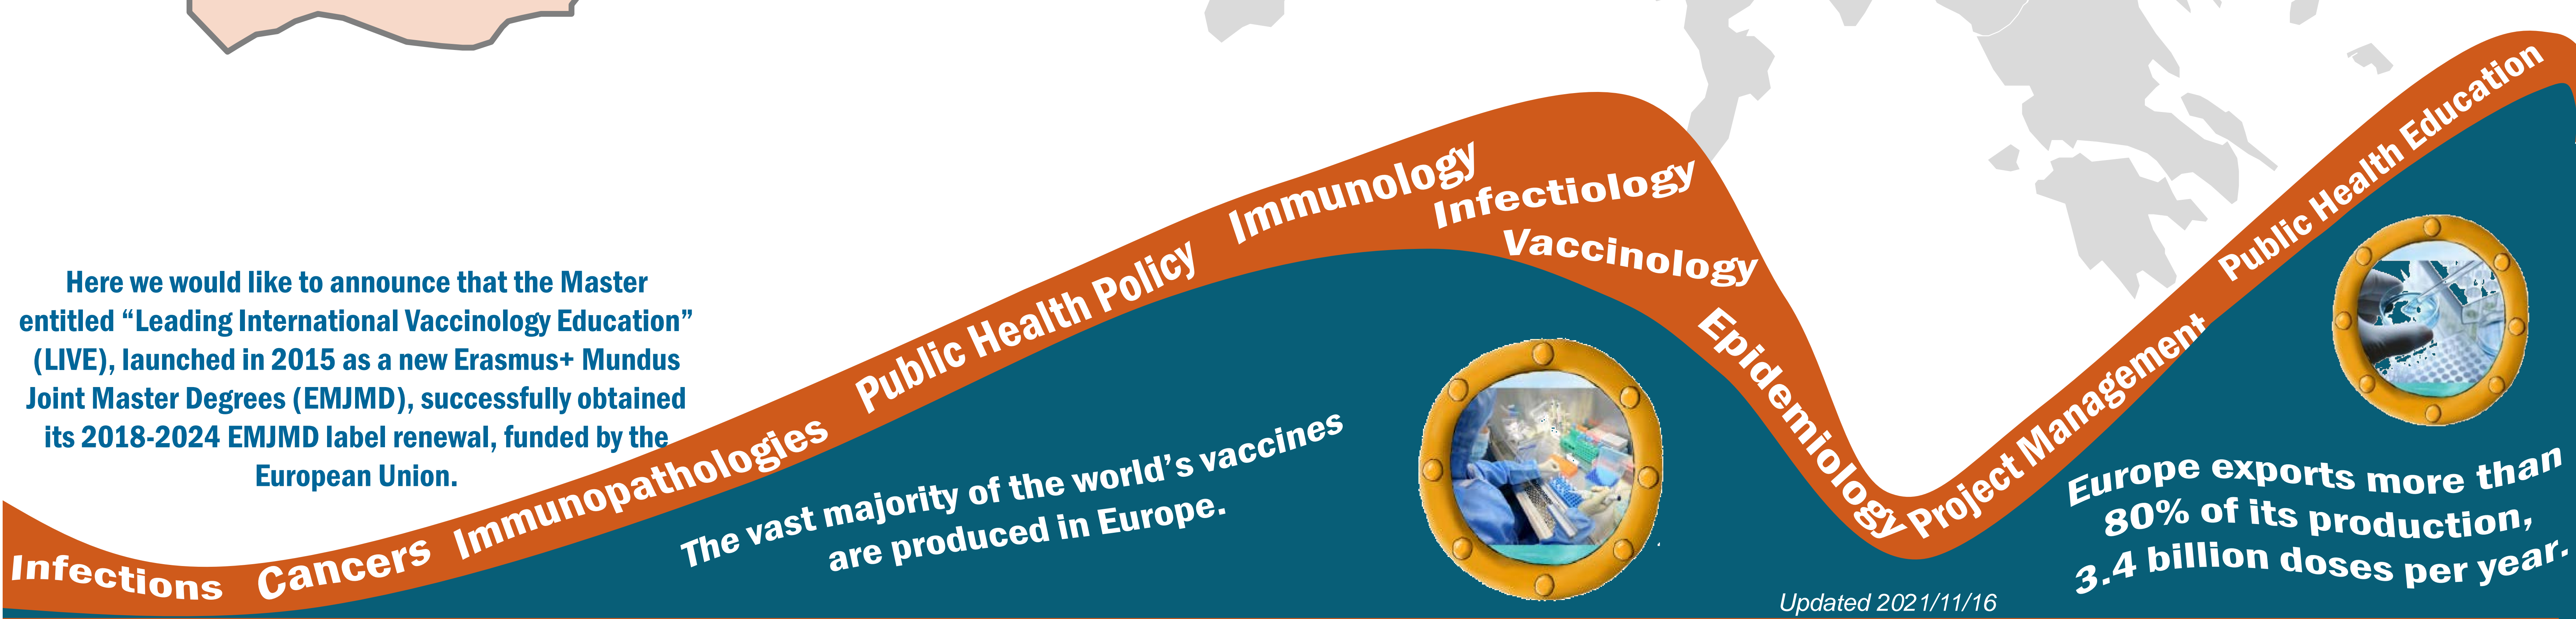

[HTTP://LIVE.UNIV-LYON1.FR](http://live.univ-lyon1.fr)

LEARN IMMUNOLOGY, INFECTIOLOGY TO BECOME A VACCINOLOGIST

INTEGRATE OUR WORLDWIDE ACADEMIC AND INDUSTRIAL NETWORK (53 PARTNERS FROM 19 COUNTRIES)

PARTICIPATE IN PUBLIC HEALTH POLICY AND EDUCATION

Here we would like to announce that the Master entitled "Leading International Vaccinology Education" (LIVE), launched in 2015 as a new Erasmus+ Mundus Joint Master Degrees (EMJMD), successfully obtained its 2018-2024 EMJMD label renewal, funded by the European Union.

The vast majority of the world's vaccines are produced in Europe.

Europe exports more than 80% of its production, 3.4 billion doses per year.
